**FULLER CRAFT MUSEUM'S SPECIAL TOURS AND HANDS-ON WORKSHOPS
LET FAMILIES GET IN TOUCH WITH THE ART**

Brockton, MA - Fuller Craft Museum's Education Department announces that new *MUSEum Discovery* programs will be scheduled on the second Saturday of every month in 2008. The monthly *MUSEum Discovery* programs begin with a tour, led by Museum Educators, through Fuller Craft Museum's world-class contemporary craft exhibitions. An inspirational journey through Fuller Craft's galleries is followed by a hands-on workshop in one of Fuller Craft's art studios.

The *MUSEum Discovery* program is designed to awaken the muse that sparks imagination and inspires creativity. Tours are condensed for young visitors but comprehensive enough to awaken the muse in everyone. Hands-on workshops encourage parents and children of all ages to enjoy making craft in a fun and engaging environment. *MUSEum Discovery* is open to the public. A limited number of spaces are available and advanced registration is required.

Fuller Craft Museum is located conveniently off of Route 24, a short distance south of Boston. Please visit our website at www.fullercraft.org for schedules and online registration. You can also register, and find our more information by calling Fuller Craft Museum's Education Department at 508.588.6000 x125.
